

## Cleansing

Any Spirit that cannot confess that Jesus Christ is of God and came in the flesh. I rebuke you in the name of Jesus Christ of Nazareth. = 1 John 4:2

I bind you, bruise you, cast you out, in the power of Jesus name = Romans 16:20

This house was fashioned for the Lord's presence, you have no authority here. Ezekiel 43:11

Sing "There is power in the blood of the Lamb."

Cast out devils by the spirit of God Matthew =12:28

It is time = Isaiah 61:2

Priest cleaning a leprous house = why we use salt = Leviticus 14:33 - 36

Always remember there is no such thing as a void, after casting out..... Invite in the Holy Spirit, or the opposite of what you cast out.

How often should I cleanse my house? How often do you take out the trash? It is one of those jobs that must be done regularly, weather you see or feel anything or not. Do you go to the grocery store? Maybe you brought something back with you. Do your neighbors come in? Salesmen, repairmen, junk mail? Do you channel surf?

We are not asking you to eliminate anything out of your life style, anymore than we would ask you to stop producing garbage.

And my people shall dwell in a peaceable habitation, and in sure dwellings, and in quiet resting places = Isaiah 32:18

Ye are of God, little children, and have overcome them: because greater is he that is in you, than he that is in the world.= 1 John 4:4

If you think it is scary to cleanse, just think how scary things can get if you don't.
