Rev 7:1-4 144,000 sealed
Ephesians 1:13 & 4:30 sealed with Holy Spirit

Diane's thoughts

At the battle of Jehoshaphat, we just stand back and the bad guys will kill each other. We really don't have to do anything. Watch the news looks like we might be there now.

Battle of Armageddon when 6 plagues are released. Yes, a lot of people die. The opposite would be perfect health. (Body Salvation)

There was a cold war. No shots were fired, and still the Berlin wall came down. Could the failure of the health care system be a part of Armageddon?

I think the key to all of this is (be still and know that I am God)

Abraham had a nephew Lot. Lot had incest with his 2 daughters. The result of that was Moab and Ammon. Ammon is the present day capitol city of Jordan.

Abraham had Issac through Sarah and Ishmael through Hagar. Issac = Hebrew children and Ishmael = Arabs.

Then there is Jacob and Esau twin brothers. I think Esau = Palestinians PLO and Jacob more Hebrews. Esau can also be Edom (Southern Jordan)
