These seven trumpets and vials represent the same thing, seven periods of time.

"GOD SPEAKS TWICE"

Notice that the seven fat kine (cows) and the seven fat ears (heads of grain) mean the same thing. Also, the seven thin cows and the seven thin kine stood for the same thing. Are Cows the same as ears? No - - but they are symbols for the same thing.

The first fat cow and the first fat ear both stood for the first year of plenty. Likewise, the fourth fat cow and the fourth fat ear stood for the fourth year of plenty, and so forth.

"The Doubles and Parallels"

In the book of Genesis, Chapter 41, we saw seven fat cows, seven thin cows; seven fat ears, seven thin ears. Now notice in the book of Revelation that we see a remarkable double or parallel. We see seven seals, seven trumpets, seven angel messengers, and seven golden vials.
