## **FORCE, POWER & ENERGY**

Do you know the difference? We will now reveal some details about a Bible truth, never before written about, as far as I know. We will look at the relationship between **FORCE, POWER & ENERGY**, as used in the Bible.

- 1.) **JESUS BROUGHT THE FORCE**
- 2.) **THE HOLY SPIRIT IS PRESENTLY BRINGING THE POWER**
- 3.) **GOD THE FATHER WILL SOON RESTORE THE ENERGY**

# FORCE

The **FORCE** relates to **JESUS**.

Matthew 11:12 (**JESUS** speaking), "And from the days of John The Baptist until now, the kingdom of heaven suffereth violence and the violent take it by **FORCE**."

A careful study of the etymology of the phrase, "suffereth violence, and the violent take it by **FORCE**," will produce this following phrase, which makes more sense than the KJV.

Matthew 11:12. And from the days of John the Baptist until now the kingdom of heaven is pressed by **FORCE** and the **FORCEFUL** take it by **FORCE**.

**JESUS** gave **FORCE** to Christians so they can take the Kingdom of Heaven. **JESUS** brought the **FORCE**. **FORCE** is to be associated with **JESUS**.

# POWER

**POWER** is generally associated with the **HOLY SPIRIT**. The **HOLY SPIRIT** gives **POWER** to Christians so they can **witness** and so they can be **resurrected**. For example;

Luke 24:49, But tarry ye in the city of Jerusalem until ye be endued with **POWER** from on high.

Acts 1:8, But ye shall receive **POWER**, after that the **HOLY GHOST** is come upon you: and ye shall be **witnesses** unto me both in Jerusalem, and in all of Judea, and in Samaria, and unto the uttermost part of the earth.

This **POWER** to **witness** was given to the 120 in the upper room on the day of Pentecost. The word for **POWER** in both of these scriptures is "dunamis," from which we get the English word, "dynamite."

## RESURRECTION POWER

The dunamis **POWER** of the **HOLY SPIRIT** is also that **POWER** which raised **JESUS** from the dead. And it is the same **POWER** that will make possible the **resurrection** of Christians from the dead.

1 Corinthians 6:14, And God hath both raised up the Lord, and will also raise us up by his own **POWER (dunamis)**.

1 Corinthians 15:42, So also is the resurrection of the dead. It is sown in corruption; it is raised in incorruption: It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in **POWER (dunamis)**.

Philippians 3:10, That I may know him and the **POWER (dunamis)** of his resurrection.

Thus, it is the dunamis **POWER** of the **HOLY SPIRIT** that is the **POWER** for **witnessing**, such as was given to the disciples at Pentecost. It is also the **POWER** that raised **JESUS** from the dead and will, at the appointed time, **raise up** those Christians who have already died.

# ENERGY

Our **GOD** will restore His **ENERGY** to His people. His **FORCE** and **POWER** have already been restored; read **DAVID's TABERNACLE, NOW**.

In the original Greek, the word for "operation" really means "**ENERGY**." **ENERGY** relates to the supernatural. The KJV describes this as the "operation of God", but a more meaningful and exact translation is "**ENERGY of God**".

Colossians 2:9-14, For in him dwelleth all the fullness of the Godhead bodily. And ye are complete in him, which is the head of all principality and **power**: In whom also ye are circumcised with the circumcision made without hands, in putting off the body of the sins of the flesh by the circumcision of Christ; Buried with him in baptism, wherein also ye are also risen with him through the faith of the **operation (ENERGY) of God**, who hath raised him from the dead.

## THE EARLY CHURCH HAD THE **FORCE, POWER, AND ENERGY**

At the time of the early Church, the Christians **had** three wonderful things available to them, so they could overcome in all areas:

- 1.) The **FORCE** of **JESUS**.
- 2.) The **POWER** of the **HOLY SPIRIT**
- 3.) The **ENERGY** of **GOD**.

The Church went into the dark ages and those wonderful abilities were lost. Only a handful of saints had even a little touch of those abilities. And they got in trouble with the "Church" when they used them.

The **FORCE** of **JESUS** has been restored; the **POWER** of the **HOLY SPIRIT** is being restored; and the **ENERGY** of **GOD** will soon be restored. You need it.

### WHAT'S THE DIFFERENCE?

As an electronic engineer, these three terms are right down my alley, so please let me explain the way I used the terms **FORCE**, **POWER** and **ENERGY**, for half my life.

### FORCE

The **FORCE** of **JESUS** relates to voltage. My electronic engineering textbooks even used the terms "electromotive **FORCE**, **EMF**" for voltage. In an electronic or electric circuit, **JESUS** brings (is) the VOLTAGE. Highly technical people will note that our professors wrote the formula,  $E=IR$ . With "E" standing for voltage and "I" for current. This is an unfortunate choice of terms because I must reserve the letter "E" for "ENERGY" later in this explanation. Engineers and scientists must change their traditional thinking for a short while when I say, " $V=CR$ , where "V" is the voltage (not E), "C" is the current (not I), and "R" is the resistance. I made this change to make these explanations easier for the most of the people.

### POWER

In a circuit with a lot of voltage, nothing gets done until you have some current. Voltage with some current is POWER. **JESUS** with the **HOLY GHOST** produces POWER. The Bible calls that, "the **POWER** of the **HOLY SPIRIT**." When **JESUS** and the **HOLY SPIRIT** are working together, you have POWER. Our formula for POWER is  $P=VC$ , where "P" is the POWER in Watts, "V" is the voltage, and "C" is the current. **JESUS**, by himself, doesn't do any work, presently. (Remember, He said that it was finished. He is sitting down until we finish the rest of the job.) But, when **JESUS** (voltage) and the **HOLY SPIRIT** (current) work together, they multiply each other and work (POWER) gets done. That is why **JESUS** told us that it was good for us that He (**JESUS**), would go away, so the **FATHER** could send the **HOLY SPIRIT** to us. (John 14:26) That's why we must have both **JESUS** and the **HOLY**

**SPIRIT** (voltage and current) to produce work (POWER).

### ENERGY

$E=MC$  squared. That is the most famous physics formula in the **new** world. Einstein told us that mass times the square of the velocity of light equals ENERGY. Some believed it, some didn't.

I am the product of the ENERGY generation. While I was in high school, an experiment secretly started under the stands of the Chicago Stadium during WW2. The formula and theorem were secretly proven at White Sands, NM. It was twice openly demonstrated to the Japanese.

Most people who know the story believe that without those two bombs, I would probably be under a white cross on a Pacific island or under a brass plaque on a Pacific ocean shore somewhere. And I agree. You must decide if the bombs were right or wrong, but I decided they were right for me. Some Christian writers liken the atomic bomb to the devil and hell. I suppose if I was a Japanese, I would agree. But, I'm not, and I don't. It kept me alive and indirectly provided my livelihood until I became a Bible teacher. So, you decide, because I'm biased on that issue.

You need to know that several years were spent producing fuel for that experiment. Giant electric transmission lines were installed at **Benton City, WA.**, and at Oak Ridge, TN.

High voltage (**JESUS**) and massive current (**HOLY SPIRIT**) were combined to produce the enriched uranium fuel. The fuel was potential ENERGY (**GOD**). When enough enriched uranium was brought together in a compacted mass that exceeded the critical weight, the experiment proved that  $E=MC$  squared. It wasn't potential ENERGY anymore. It was the instantaneous release of pure ENERGY. Old formulas involving time, ENERGY, and mass, had to be revised.

Contradistinctively, the fuel for the plutonium bomb (not uranium) was produced as the enriched uranium produced POWER (both voltage [**JESUS**] and current [**HOLY SPIRIT**]). Hanford, at **Benton**

City, WA, did **not** consume **POWER**; it produced it, and plutonium resulted.

Fantastically, the **ENERGY** was released from the plutonium bomb by a trigger made of massive amounts of photons of **LIGHT**. **GOD** is **LIGHT**. So, light **ENERGY** (**GOD**) was used to produce the instantaneous release of **ENERGY** (**GOD**) from the mass of plutonium, to produce the bomb.

I personally think the atomic bomb and atomic **ENERGY** are gifts of God, and eventually will be used for good. Yes. I know that presently they are bad. That's because our mistaken leaders allowed the oil companies to take over our atomic **ENERGY** production, resulting in faulty reactor design and inflated fuel prices. Someday in the future we shall have true statesmen in our government instead of politicians, and then we will have safe, good, and economic atomic **ENERGY**.

### **GOD IS LIGHT**

The Bible told us that **GOD** is **light**. The formula tells us that the square of the velocity of **light**, as a factor, would release the **ENERGY** stored up in the mass (the fuel).

When enough voltage (**JESUS**) and current (**HOLY SPIRIT**) had worked together for several years, then the compacted fuel proved to the world that the **ENERGY** of **GOD** is directly proportional to light. That's what the Bible told us a long, long, time ago.

That experiment brought us into the age of **ENERGY**, the atomic age. It's time for the church to move from **POWER** to **ENERGY**.

From 1906 until 1945-48 we were in the industrial **POWER** revolution, because we applied voltage (**JESUS**) and current (**HOLY SPIRIT**) to **POWER** our motors to do our work.

Then in 1945-48 all science and engineering and the world changed to learn how to deal with the release of the newly discovered and demonstrated **ENERGY** (**GOD**). Even now in this decade of the 90s, we still struggle over how to use and harness **ENERGY** and turn it into **POWER**.

A few in the industry goofed up at Three Mile Island and also at Chernoble, and we're still learning how humans should relate to **ENERGY** (**GOD**). The half century between 1950 and 2000 has been the **ENERGY** revolution, contradistinctive from the industrial **POWER** revolution in the half century from 1900 to 1950. Isn't it interesting that our **GOD** restored the **POWER** of the **HOLY SPIRIT** to the church at the same time that the industrial **POWER** revolution was taking place, 1900 to 1950? The period 1900 - 1950 produced the most **POWERFUL** missionary effort the world has ever seen. It was centered around **POWERFUL** Pentecostal **HOLY GHOST** churches. Following that, our **GOD** began to release the knowledge of His **ENERGY**. Presently, look for **ENERGY** oriented churches.

When society learns how to properly relate to **ENERGY** (**GOD** - light), I believe our **GOD** will **fully** restore His **ENERGY** to the church. That supernatural **ENERGY** of **GOD** will give us the ability to circumcise the foreskin of our **HEARTS**, as we celebrate the **CIRCUMCISION OF CHRIST**. (Col. 2:9-14) We expect, in the near future, an **ENERGY** release from our **GOD**, so great, that it might be compared to the difference between the **ENERGY** release in the launch of a missile (the most the age has had to offer) and the **ENERGY** release of an atomic bomb (somewhere near the amount we are expecting). The release of that amount of **ENERGY** should vaporize the bad things in the **PUT OFF** list (Col. 3:5, 8-9, Eph. 4:22, 25-31), the natural man, the human nature, the animal within us; and we shall finally be free from ourselves. Then we can be trusted with immortality.

I think that our next step in our Godly progression will be the Circumcision of Christ which is the Circumcision of our **HEARTS**. The **ENERGY** necessary to produce that miracle should be exponentially larger than the **POWER** we received at the restoration of Pentecost in 1906.

In other words, the next step is going to be **BIG** to the max.

### **RESTORATION**

**GOD** said He would restore what had fallen down.

Amos 9:11, In that day will I raise up the **Tabernacle of David** that is fallen, and close up the breaches thereof; and I will raise up his ruins, and I will build it as in the days of old:

James said that the restoration prophecy in Amos referred to the **POWER** of the **HOLY SPIRIT** and speaking in tongues.

Acts 15:14-17, Simeon hath declared how God at the first did visit the Gentiles, to take out of them a people for his name. And to this agree the words of the prophets; as it is written, After this I will return, and will build again the **Tabernacle of David**, which is fallen down; and I will build again the ruins thereof, and I will set it up: That the residue of men might seek after the Lord, and all the Gentiles, upon whom my name is called, saith the Lord, who doeth all these things.

### **RESTORATION & REFORMATION**

Our GOD restored the **FORCE** of **JESUS** when Martin Luther brought the reformation to the Church, Oct. 31, 1517. (About 500 years ago.)

Some 400 years later our GOD restored the **POWER** of the **HOLY SPIRIT** when He chose a black evangelist, William Seymour, to bring the Pentecostal **POWER** revival, at the Azusa Street Mission on April 9, 1906.

We are now expecting our GOD to restore His own **ENERGY** - soon, sometime near 1995 - 2000, at the **CIRCUMCISION OF CHRIST**. BIG event.

May I humbly recommend the book **DAVID'S TABERNACLE NOW** for much more on our GOD's restoration process?

And the book **FAITH, HOPE & LOVE THREE STEPS TO IMMORTALITY** is full of more patterns of our GOD's restoration process which involve you.

And, the book **SPIRIT, SOUL, & BODY, THE THIRD SALVATION** shows the patterns of changes that will take place within you.

The people who are alive and remain until the coming of Christ will have gone through the **CIRCUMCISION OF CHRIST**, and will have risen with no more foreskin on their hearts and will have overcome the last enemy which is **DEATH**.

### **DEATH & LIFE**

Colossians 2:14 uses the word "baptism" to describe this "death and resurrection" process. The **POWER** (anointing) of the Holy Spirit will enable the candidate to symbolically die. Then the **ENERGY** of our **GOD** will enable the candidate to symbolically Circumcise the foreskin of his/her **HEART**. Following that, the **POWER** of the Holy Spirit will symbolically resurrect the candidate to a new and perfect life.

We have had the restoration of the **POWER** of the Holy Spirit working with the **FORCE** of **JESUS** for the last 500 (or so) years. Next, we should receive the restoration of the **ENERGY** of **God** working with the **POWER** of the Holy Spirit, at the Circumcision of Christ, the Circumcision of the **HEART**. BIG time!

### **WHEN? NOW & THEN.**

The supernatural enablement for this accomplishment will come from the **ENERGY** of God. The **timing** of the plan for the release of the **ENERGY** of God is in His hands, not ours. If you don't know exactly when the airplane is scheduled to take off, is it better to arrive too soon, and wait in line, or be too late, and miss the flight? I think we all had better get ready, and get in line.

### **EARTHQUAKES**

If the explanation about **FORCE**, **POWER** and **ENERGY** in electrical terms was too much, then try this. An earthquake results from the instantaneous release of potential **ENERGY**, not **POWER**, and not **FORCE**. The **FORCE** of the sun and the waves and other things like the continental shift places the plates of the earth in a tremendous stress and/or tension that is **POTENTIAL ENERGY**. But, it is still and quiet until a great breaking takes place in an instant, and then we have the instantaneous release of **ENERGY**. Over several minutes great **POWER** is released, because the formula for **POWER** includes **time**. But, the **ENERGY** formula contained no **time**, until the atomic bomb brought us into the age of applied **ENERGY**. Now, the new **ENERGY time** formula (continued on page 8)

# DAVID'S TABERNACLE NOW

Introduction from the book of the same name.

Our God left **Moses' Tabernacle** and never went back. He left when Eli was the prophet and Samuel was His minister. (1165 B.C, I Samuel 4)

Where did He go?

He visited the Philistines for a short time (in the form of the **ark** of the covenant) and knocked the head off of Dagon, their God. Then He went to three cities of the Philistines where He gave everybody a terrible case of hemorrhoids; some cases of hemorrhoids were terminal. He then went to Israel and sat around for 20 years. (I Samuel 4-7) Then God started for Jerusalem, and when a porter touched Him, He killed the guy. (II Samuel 6 & I Chronicles 13) Finally **King David** got it right and our God went to the **Tabernacle of David** in Jerusalem. (II Samuel 6, I Chronicles 16, & 25, Psalm 78)

So what's that got to do with us?

In the past, many denominations lined up with the patterns, types, and shadows made by **Moses' Tabernacle**. Now, some groups of believers are getting in line with the **Tabernacle of David**. In fact, the **two** different tabernacles (**Moses vs. David**) foreshadow the **two** different types of churches in this present age, that is, law vs. grace, or justice vs. mercy.

The apostle James said the **Tabernacle of David** was the reason that gentiles could become Christians without becoming Jews and without keeping the laws of Moses. (Acts 15) That's the grace of God. That's very important to know. If it wasn't for the **Tabernacle of David**, you would have to give up eating **cheeseburgers**.

Why couldn't I have a **cheeseburger**?

Not **kosher**. You would have to act like a Jew and keep the law of Moses, if it wasn't for the **Tabernacle of David**. A Jew can't mix **milk** and **meat**, so no cheese on a hamburger. To a gentile, the **Tabernacle of David** is very important.

A hundred years after the **Tabernacle of David** was tucked safely away in Solomon's Temple, the prophet Amos said the **Tabernacle of David** was a world class event and our God would **raise it up again, someday**.

James said (Acts 15) it was set up when the disciples were first baptized in the Holy Ghost and spoke in tongues (Acts 2) and when the Italian Band got saved and baptized in the Holy Ghost and spoke in tongues. (Acts 10 & 11) That was the restoration of the **Tabernacle of David**.

So what?

So what? That makes the Baptism in the Holy Ghost and speaking in tongues extremely important to gentiles. Without it we would have to become Jews. We gentiles don't have to keep the 613 laws of Moses, like some Pharisees wanted. Because of that, the Jews who were believers accepted gentiles who were believers into their assembly. Amos said the **Tabernacle of David** would be **raised again** when our God gathers **Israel** back to their own land, when they build their own houses, and plant their own vineyards. (Amos 9) That was 1948.

Are you saying that Amos prophesied about the rebuilding of the present nation of Israel and that the **Tabernacle of David** would be rebuilt in a parallel way and at the same time? Does that mean that there were to be **two different** times when our God will restore the **Tabernacle of David**?

Yes. James talked about the **first** restoration at the time of the start of the Christian church. (Acts 15) Amos talked of **another** time when Israel was to be rebuilt. (Amos 9) We have read about the **first** and lived through the **second**.

The new book **DAVID'S TABERNACLE NOW** has 190 pages packed full of fantastic parallel stories. One track carries the path of the **ARK** as it is involved in the **Tabernacle of David**. The other track carries the history and future of our **churches**. Please use the order blank in this **MONARCH** (page 8) and see if there are any additional books and tapes that would benefit you.

Following adapted from the new book of the same name.

# **FAITH, HOPE, & LOVE**

## **THREE STEPS TO IMMORTALITY**

And now abideth **Faith, Hope, Love**, these three; but the greatest of these is **Love**. (1 Corinthians 13:13)

These three processes (**Faith, Hope, and Love**) can make the believer/receiver **immortal**. That could be you. You have been told to seek **immortality**.

Where does the Bible tell us to seek **immortality**? Romans 2:7, To them who by patient continuance in well doing seek for glory and honour and **immortality**, (He will give) eternal life:

Peter and Paul gave us patterns to follow that will lead us into **immortality**. We are going to look at **Faith, Hope, and Love** to see how they lead us into redemption of the physical **Body**.

We are going to discover the difference between **Faith and Hope**. We will study how **Love** enters the equation later. My definitions of **Faith and Hope** are based on 20 years of deep study of the way that the Bible uses the words. The dictionary will not fully agree with my definitions, and neither will Strong's Concordance. After all, the dictionary is only a catalog of popular usage of words. I believe (am persuaded, convinced, assured) that you will agree with my definitions as soon as you can study your Bible because my definitions are based on the way the Bible uses the words.

Strong's Concordance and I have a little difference of opinion about

### **FAITH and HOPE. WHAT IS FAITH?**

#### **FAITH IS FOR THE NOW - PRESENT**

My definition of **Faith** is:

**Faith** is the **present** tense of the **future** tense verb **Hope**. **Faith** is an **act** produced by belief, trust, persuasion, conviction, reliance, and/or assurance. We set the time for **Faith** by acting (doing something) in the **present** time (now).

Here is something really important for you to do by **Faith**. Romans 10:9, That if thou shalt **confess** (by **Faith - present tense**) with thy mouth the Lord Jesus, and shalt **believe** (**be persuaded, convicted, assured - past tense**) in thine heart that God hath raised him from the dead, thou shalt be saved.

We set the time for the manifestation of **Faith** by acting or doing something like **confessing** at the **present** moment.

We are not talking about the Catholic **Faith**, or the Protestant **Faith**, or the Jewish **Faith**, or the Muslim **Faith**, etc. That's the way the dictionary uses the word **Faith**. The Bible doesn't use the word **Faith** like that. We will use the word **Faith** like the Bible does.

**Faith and Hope** are so closely connected that they are only divided by the tense of the verb. But, **Faith** and **Hope** are not the same thing and they should not be mixed up in our thinking and/or decision making.

#### **THE ACTION IS FAITH.**

**Faith** is an **act** that produces the **manifestation** at the present time. **Faith** is not just simple belief in what has already happened. **Faith** takes place when you **actually** act.

#### **WHAT IS HOPE?**

##### **HOPE IS FOR THE FUTURE**

**Hope** is desire with expectation for something in the **future**. **God** sets the **time** to manifest (bring to pass in our sense realm so we can see, hear, smell, taste, and/or feel) the things that are **Hoped** for.

The **BRAND NEW** book, **FAITH, HOPE & LOVE** (133 pages) outlines **Three Steps To Immortality**. Many Christians have noticed the many references in the Bible to overcoming the **last enemy - death**. But, they can't find books about it. Here's one. Please use the order blank in this **MONARCH** (page 8) and see if there are any additional books and tapes that would benefit you.

(continued from page 5)

is measured in microseconds. (In a moment [atomos], in the twinkling of an eye. 1 Cor. 15:52)

### **WANTED, DEAD OR ALIVE!**

Those Christians who have **already** died will also be raised in **SPIRIT**. Their resurrection will be brought about by the (dunamis) **POWER** of the **HOLY SPIRIT**, the same **POWER** that raised **CHRIST** from the dead. The Christians, who have died, have lost the foreskins of their hearts, through the natural death of their bodies. Either way, we win, dead or alive. However, if I had my choice, I would opt for the group that will **not** die. They shall be overcomers in **all** areas.
