EEK ONOMICS!

(OR - CAN THE BIBLE GIVE US ANY INSIGHT
INTO SKYROCKETING PRICES? AND IF IT CAN -
IS THERE ANY HOPE ???)

All the Christian prophets we have heard are warning of the coming depression - IN CONTRAST WE ARE WARNING PEOPLE AND PREPARING THEM FOR RUN-AWAY SPIRALING INFLATION. AS A RESULT OUR COUNSEL IN

MONEY MATTERS IS EXACTLY OPPOSITE THAT OF MOST ALL CHRISTIAN ECONOMIC ADVISORS. They're saying, "Get out of debt." We're saying, "Debt is okay." WHY? read inside.

EEKONOMICS

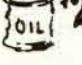

THE STORY BEHIND RISING PRICES - AND WHAT TO DO ABOUT THEM.

Prices are on the rise. Coffee, oil, sugar and other imports cost FIVE TIMES today what they cost only a few years ago. Soon all prices will be FIVE TIMES their 1972 level.

REMEMBER 1972 ?

SUGAR  10¢ a lb.
COFFEE  50¢ a lb.
OIL  \$5.00 a barrel

TODAY prices of imports are 5 TIMES their 1972 level.

SUGAR  50¢ a lb.
COFFEE  \$2.50 a lb.
OIL  \$25.00 a barrel

We would like to suggest our popular news sources are not telling us the whole truth about price increases. Inflation isn't really a mysterious thing, you'll see as we proceed. We'd also like to put your mind at ease about the future. EVERYTHING IS HAPPENING JUST AS IT WAS PROPHESIED IN YOUR BIBLE THOUSANDS OF YEARS AGO.

Before we get into that, here is how we basically feel about the Bible and Prophecy.

We believe in the inerrancy of scripture. Dave avoids teaching from visions, dreams, feelings or impressions. He believes the Bible was inspired by God and in it is all the truth He would have us know. Now truth can be found in many places but it all ultimately aligns with the Bible

THE BIBLE HAS THE ANSWER AND GIVES DEFINITE HOPE.

Dave believes in Bible doubles and parallels. The Bible interprets itself. Comparing parallel verses and references expands our understanding of many Subjects.

Concerning finances and prophecy, Dave deals mainly with two areas of scripture: Daniel 8 - prophecy about Alexander the Great and Rev. 13:16-18 & Rev. 17 - scripture about the antichrist.

ALEXANDER THE GREAT HAS SOMETHING TO DO WITH ALL THIS.

DANIEL 8 - Daniels vision was of a he-goat that rose up and swiftly covered the face of the whole earth (v.5). The first real offense the goat encountered was a two horned ram that had previously ruled the world (v.3&4). Daniel was seeing the rise of the Greek Empire under Alexander and the fall of the Medo-Persian Empire under Darius. Gabriel (v.16) interprets Daniels vision so (v.19-20).

DANIEL SAW THE RISE OF ALEXANDER 200 YEARS BEFORE IT HAPPENED.

We're told in v.11 that one of the descendants of Al's four generals (Antiochus Epiphanes) desecrated the temple of God in Jerusalem (the whole story can be read in the book of Macabees).

ACCORDING TO DANIELS VISION IT WOULD BE 2300 YEARS BEFORE THE THINGS AL MESSED UP GOT STRAIGHT.

In v.13 a saint is heard asking "How long shall the vision be concerning the daily sacrifice and the transgression of desolation, to give both the sanctuary and the host to be trodden

under foot?" The answer follows in v.14 "UNTO 2300 DAYS THEN SHALL THE SANCTUARY BE CLEANSED" (truth, host, stars). In other words things were going to be messed up for 2300 yrs. (a day is as a year - Ex.4) because of what Al did.

The crucial event that paved the way for the desecration of the temple was the over throw of the Medes and Persians by Al in 334 B.C.

Last month we explained that Al was an Antichrist. The things he introduced to the west (causing deterioration) are now being taken away - 2300 year later.

ALEXANDER INTRODUCED SUGAR and TOBACCO TO THE WESTERN DIET.

IT IS NOW TIME FOR THEM TO BE REMOVED.

For example, he introduced sugar and tobacco to the European diet. Both are destroyers of the body and we believe it is time for both of them to be removed. He also popularized Greek philosophy which has been the brainchild of Marxism and Communism and has warped Christian thinking since the first century.

HE ALSO MADE GREEK PHILOSOPHY VERY POPULAR

In economics, Al started the first IMF (International Monetary Fund). He minted gold coins which were used commonly throughout the then known world. He put the world on the gold standard. The gold he used was taken from the Medes & Persians (Iraq & Iran).

HE STARTED THE FIRST IMF

(INTERNATIONAL MONETARY FUND)

Today the IMF and gold standard are collapsing as prophesied

ECONOMICS

in Daniel 8:14. Also, most of the world's gold supply is returning to the Middle East from where Al took it 2300 years ago.

1967 marks the beginning of the end for the things Al introduced 2300 years before. In 334 B.C. he moved against Darius (king of the Medes and Persians) and started his own money system and world empire. 2300-334+1=1967.

IN 1967 THE IDEA OF PAPER GOLD

(THAT WOULD LEAD TO SPIRALING INFLATION) WAS INTRODUCED BY THE CENTRAL BANKS.

It was in 1967 that international bankers started to develop a paper gold system and by 1972 with the use of SDR's (special drawing rights) they could create any amount of gold they desired simply by signing their name. The price of gold is now decided each day by the house of Rothschild in England (Nat. Geog. Jan. 1974. p.27). The result of this has been economic chaos.

BY 1972 PAPER GOLD WAS A REALITY.

THE CENTRAL BANKERS CHOSE TO BELIEVE A LIE.

Prior to 1972 the U.S. agreed to exchange an ounce of gold for \$35 with any foreigner but the government quit that agreement with U.S. citizens in 1933. Since 1972 we stopped guaranteeing we would sell gold for \$35 an ounce to foreigners.

As a result of this the newspaper said the price of gold went up to \$175 an ounce. Actually that was not true.

DUE TO THIS ARTIFICIAL INFLUX OF "MONEY" ON THE INTERNATIONAL SCENE, THE VALUE OF THE DOLLAR DROPPED DRASTICALLY IN WORLD TRADE.

It is more true to state that the value of the dollar went down so that it then took five (5) times as many dollars

to purchase an ounce of gold. Actually the true value of gold remains the same and the value of our money dropped drastically. The news media refuses to tell the truth on this matter.

As an example: in early 1972 we purchased oil from the Arabs for about \$5 (five dollars) a barrel - after things settled down in 1972 the Arabs asked for \$25 (twenty five dollars) a barrel. The news media reported the Arabs were trying to rob us - that was just not true.

After devaluation of the dollar the Arab only wanted the same amount of gold he received before the devaluation. In other words in 1973 the Arab wanted the same stack of gold for a shipload of oil that he had received in 1971. The news media called the Arab robbers but they weren't.

Presently OPEC is holding the Arabs to \$5 a barrel but we predict it must go to \$25 a barrel to be fair.

But there is no OPEC to control coffee prices and that is why the 1971 price of coffee was about \$1.50 a pound but present prices are \$7.50 a pound (five times). In other words the Brazilian must have five times the amount of U.S. dollars to have the same amount of gold he used to get. The same formula holds true on other import prices.

Remember we sent billions of dollars to Japan for electronic equipment (radio, TV, etc.) now those Japanese people are faced with a dilemma - the billions of U.S. dollars will only purchase 1/5 (one fifth) of what they used to internationally but within the U.S. our prices have only doubled. So they can get 50¢ (fifty cents) on the dollar in the U.S. rather than 20¢ (twenty cents) internationally. This explains why the Japanese purchased shiploads of 2x4's in 1973. It also explains why the Germans (VW) are setting

up assembly plants in the U.S. now and also why the Arabs, Japanese and Germans are buying up all the U.S. land they can get their hands on.

Starting 1968 we told you this would happen and here it is happening.

Due to the ability to regulate the price of gold and create "paper gold" with their signature International Bankers now control governments through world economy. Due to certain factors (we'll explain more next month) the Pentagon will soon expose the truth about international finances. The U.S. will become independent of Central Banks (Rothschild) and the Federal Reserve System (Arthur Burns). Congress will once again exercise its constitutional right to regulate the value of money (U.S. Constitution - ARTICLE 1 SECTION 8).

We're expecting the total collapse of our current monetary system. It will be replaced by a new system in which the standard will be produceable goods (golden grain) rather than the aesthetic value of metal gold (fixed by Rothschilds).

We are now facing continual spiraling inflation - NOT DEPRESSION. Inflation is good for the little guy who is in debt but not for the big financiers. In a few years we'll all be able to pay off our mortgages and loans with worthless money.

SPEND YOUR MONEY NOW!
BUY THINGS WITH PRACTICAL VALUE.
(BOTTOM, BUT DON'T GO OVER YOUR HEAD.)

Contrary to all other Bible Prophets we are saying it's best to get rid of your money. Spend it, use it, invest it in one

or more of the five enterprizes God has blessed in His world-LAND, WATER, CATTLE, COMMUNICATIONS and TRANSPORTATION.

Golden grain will soon replace golden metal. Then any money or gold you are saving will drop drastically in value. Only those things you have purchased with it now will of value to you.

Soon the U.S. dollar will bear a note saying, to the effect, "The U.S. will pay to the bearer on demand one standard bushel of grain." That way money will be backed by a commodity with intrinsic (genuine) value not aesthetic (Rothschild).

In the very near future man will be able to produce wealth and that is godly. The U.S. will become preeminent among the nations again for it can produce more grain than any other nation. All nations must soon come to the U.S. as they went to Egypt (Gen. 49:52) to receive grain and stay alive.

When Moses led the Israelites out of Egypt - they didn't go begging. They left with great riches. When we leave our present economic system, we don't want to lose all we have. We want to teach Christians how to prosper from the beast & have victory (Rev. 15:2).

* IF YOU USE THESE PRINCIPALS FOR PERSONAL (SELFISH) GAIN.... YOU'LL LOSE. IF YOU USE THEM TO BUILD CHRIST'S KINGDOM.... YOU'LL WIN.
