**THE BERLIN WALL AND THE
SEVENTY YEAR SLAVERY CYCLE**

Is the Berlin Wall in the Bible? Almost, but not quite; the tearing down of the wall is, but the wall isn't. We better get specific. Most of the nations of the world have been under various types of economic SLAVERY from 1920 to 1990, a period of 70 YEARS. Now, the universal cry of the whole world is "FREEDOM NOW!" The fall of the Berlin Wall tells us that it is now time for the whole world to be FREE from SLAVERY.

COMMUNISM FOR 70 YEARS

The Russian President Gorbachev said that the Russians had been under the rules of COMMUNIST CENTRAL PLANNING for 70 YEARS and that was going to change. I was watching the TV reports about the Berlin Wall coming down. When Gorby said "70 YEARS," bells rang and lights flashed. I remembered that the Bible says we also were SLAVES to a devilish economic system in Babylon for 70 YEARS. This happened about 550 B.C., during the time Daniel lived.

70 YEAR SLAVERY CYCLE

"I Daniel understood by books the number of years, whereof the word of the Lord came to Jeremiah the prophet, that He would accomplish 70 YEARS in the desolations of Jerusalem." (Daniel 9:2)

The SLAVERY cycle is 70 YEARS in the Bible.

PERFECT PROPHECY PLAN

Israel had to be SLAVES in Babylon for 70 YEARS in order to fulfill the prophecy in the book of Jeremiah. "To fulfill the words of the Lord by the mouth of Jeremiah, until the land had enjoyed her sabbaths: for as long she lay desolate she kept sabbath, to fulfill three score and ten (70) years." (2 Chronicles 36:21, Jeremiah 25:11, 29:10)

SLAVERY for 70 YEARS was a punishment for not doing what God had said. God commanded Israel to let the land lie fallow (not to plant)

every seventh year (called the sabbath year of rest for the land), but no one ever did it. All of the farmers of Israel always planted all of the land every year, including the seventh.

Daniel made the spiritual discovery about the 70 YEAR SLAVERY cycle when it was exactly the right time to leave SLAVERY and go home to Jerusalem. I think that the Holy Spirit made Daniel read and study at exactly the right time. SEVENTY YEARS was the number for FREEDOM back then, and it's the number for FREEDOM NOW.

FREE FROM WHAT?

Central Planning tells you what curriculum to study, where to live, where to work, how much to produce, when or if you can travel to visit your family in other cities, etc. Communism is government ownership of land, etc. I knew that the East Germans were being FREED from Communism. I learned that the Russians were being FREED from CENTRAL PLANNING, not Communism. So, I asked (in prayer), "From what is it that all the other European nations are being FREED?" The Holy Spirit directed me to look it up in the Encyclopaedia Britannica. The answer was:

RUMANIA's SLAVERY started when the "Central Powers" forced the Banque Generale (General Bank) to issue 2,500,000,000 lei in paper money, in 1918-1920, 70 YEARS ago.

POLAND's SLAVERY started when the Communists took over the government in 1920, 70 YEARS ago.

HUNGARY's SLAVERY started with the signing of the Treaty of Trianon which disrupted the entire economic structure in 1920, 70 YEARS ago.

BULGARIA's SLAVERY started with the expo-

priation of private land by Stamboliski in 1920, 70 YEARS ago.

GERMANY's SLAVERY started when the Allied reparation commission fixed the total money to be paid at 132,000,000,000 gold marks in 1920-21, 70 YEARS ago.

TYPES AND SHADOWS

Old Testament Bible stories have been referred to as TYPES AND SHADOWS in the N.T. The O.T. stories form an outline which prophesy events which took place in the N.T.

"Which (O.T. things) are a SHADOW of things to come." (Colossians 2:17)

"For the law having a SHADOW of good things to come, and not the very image of the things." (Hebrews 10:1)

There seems to be ample evidence about the 70 YEAR SLAVERY period in Babylon and the recent world events to conclude that the 70 YEAR Babylon period was a TYPE AND SHADOW of the world events from 1920 to 1990, a period of 70 YEARS.

RIGHT TIME

The Holy Spirit shined the light of understanding upon the prophecies of Jeremiah at the right time. From reading books, Daniel discovered that the 70 YEAR SLAVERY cycle was over. Daniel had read those prophecies many times before and had not noticed the whole truth. But, when the SLAVERY cycle was over, the Holy Spirit illuminated the pages of the "books" so that Daniel would understand. In a like manner, even today, many Bible students testify that they have read a passage many times without noticing a deep truth that later jumped out at them, at the right time.

UNDERSTAND BY BOOKS

Please allow a personal testimony about "Bible books." I love them. I am surrounded by Bible books. Daniel must have also been a "book worm" because he said, "I Daniel understood by BOOKS the number ..." (Daniel 9:2) That is my testimony, too. I David understood by BOOKS, so I wrote another MONARCH.

A hurtful remark that my critics throw at me is that I depend too much on BOOKS. Critics say that they can learn just as much from the spirit without BOOKS. Some say that they can learn more from the spirit than they can from BOOKS. That didn't work for Daniel and it hasn't worked for me, either. But neither that Daniel or this David can learn much from BOOKS unless the

Holy Spirit makes the truth alive to us. JESUS said the same thing this way, "But the Comforter, which is the Holy Ghost (Spirit), whom the father will send in my name, he shall 'TEACH' you all things, and bring all things to your 'REMEMBRANCE,' whatsoever I have said unto you." (John 14:26)

The Holy Spirit TEACHES you with things from your REMEMBRANCE that you have heard or read before. I find no evidence that the Holy Spirit will introduce new information directly to you. Rather, the Holy Spirit will work with information that you already have in your MEMORY and TEACH you how to use it and/or the Holy Spirit will direct you to more sources of information. That's what the Holy Spirit did for Daniel when he learned about the 70 YEAR SLAVERY cycle, and that's what also happened to this David on several occasions.

NOT ALL SLAVES WANT FREEDOM

The good news is that the 70 YEAR SLAVERY cycle ended for the world in 1990. But if we follow the TYPES AND SHADOWS in detail we discover some bad news.

Not all of Israel left SLAVERY with the first group in 538 B.C. when they all had a chance. That was a hard thing for some people because Jerusalem was completely destroyed and life as SLAVES in Babylon wasn't really too bad. After 70 YEARS many of the SLAVES even built their own houses in Babylon.

A second group left SLAVERY to help rebuild the Temple in Jerusalem in 519 B.C., 19 years later; they were SLAVES for 89 years (not 70).

A third group left SLAVERY to rebuild Jerusalem (not the Temple) in 458 B.C., 61 years after the second, 80 years after the first; they were SLAVES for 150 years (not 70).

A fourth group left SLAVERY in 445 B.C., 13 years after the third; they were SLAVES for 163 years (not 70).

My book DANIEL'S 70 WEEKS covers those migrations in great detail.

That means that it could take as much as another 163 years (1990 + 163 = 2153 AD) in order to finish the job of ending economic SLAVERY and returning to a righteous money system. But I reject that idea of a long delay on this basis: Israel was rebellious - hopefully we are not. I choose to believe that we won't be. I hope and pray that we'll get the job done in a lot less time than another 93 years.

SLIMY SLAVERY SLOWLY SLIDES

Like I said, I understood from reading books, that 70 YEARS of SLAVERY should be accomplished on Russia, East and West Germany and most of the other European countries. All of this study was going on night after night as I continued to watch the TV pictures of East German men chipping away at the hateful Berlin Wall. Yes. I was thrilled to see the joy in their faces as they smashed the Wall of SLAVERY. There was also happiness in my own face as I also chipped away at the mystery of the 70 YEAR SLAVERY cycle in the Bible.

UNITED GERMANY

The story about the fall of the Berlin Wall has elements that are bittersweet. Let's look at the sweet first.

The good news is that East and West Germany must reunite in order to produce a nation that is strong enough to fulfill the Bible prophecies about Germany. Germany is called by it's ancient name "Gomer" in the Bible. (Ezekiel 38:6)

Now for the bitter element about the fall of the Berlin Wall. The bad news is the united Germany will join with Russia and others in order to fight against the U.S. and Israel in the Battle of Armageddon. So, the bad part of the tearing down of the Berlin Wall is that we are just that much closer to Armageddon. The bad news about Armageddon is that it will be terrible. The good news is that we will finally win, with help the Archangel Michael.

FREEDOM IN THE U.S.

After a few more days I realized that FREEDOM was also being sought in China, South Africa, Panama, Nicaragua the Philippines and others. So I asked (in prayer) the natural question, "Since nearly the whole world is moving toward FREEDOM of one sort or another - how about us? I mean U.S.? Are we going to be FREE?" Some people think that they are FREE because they live in the U.S., but they are not. Any national government that produces USURY money loans to the extent that a \$30,000 house will cost \$120,000 is not producing a FREE nation. The people of the U.S. are SLAVES to an economic system controlled by the Fed.

I had asked, "How about the U.S.? Are we going to be FREE also?"

UNDERSTAND BY BOOKS

Again, the answer to my question was, "Look it up in books." So it was back to books again. I thought that the answer would point to the Federal Reserve System of the U.S. I was

astonished at how clearly the facts were presented in the Encyclopaedia Britannica. For many years I have studied Bible formula as applied to the Fed but nothing would work out. The Fed was started in 1913-14 and those dates haven't produced any enlightenment. But now, I had something new. I reasoned that some evil devilish economic system must have started here in the U.S. in 1920. Why 1920? Because you take 70 YEARS away from 1990 and you get 1920.

FEDERAL RESERVE SYSTEM

A look at the Encyclopaedia Britannica added new knowledge that I never had before. In 1920 our congress passed the sinister OPEN MARKET COMMITTEE laws. Within the Federal Reserve System a new operation was set up by a new law. At that point in time (1920) the Fed received the exclusive right to purchase U.S. government securities. The Fed is a privately owned banking system - not a part of the U.S. government. The Fed is owned by the ultra rich. Stock in the Fed is not for sale. Starting in 1920 U.S. citizens could no longer purchase "T Bonds" and the like from the U.S. government. After 1920 all U.S. Bonds had to be purchased from the Fed. So, what's wrong with having a middleman who skims off a percent or two for profit? I was astonished at the fact that the Encyclopaedia Britannica gave the answer so openly. "This allowed the banking authorities to take the initiative (away from the U.S. government) in regulating credit. Quote from E.B., my insert.

U.S. SLAVES OF THE FEDERAL RESERVE

By law, the U.S. government has had only one customer for its securities since 1920. If a seller has only one buyer, by law, then the buyer sets all of the terms - not the seller (if the seller wants to sell). The Fed has set all the terms for 70 YEARS since 1920. In fact, the Federal Reserve, not our congress, sets the interest rates and the inflation rates for our nation. We are SLAVES of the Federal Reserve System, which is not an agency of the U.S. government. The Fed is privately owned by the ultra rich. We are not talking about your local banker. We have been SLAVES of the Fed for 70 YEARS, from 1920 to 1990.

START TO BE FREE

So, like Daniel, I can also say, "I understood by books, the number of years that God would allow 70 YEARS of SLAVERY of His people." But, another way of saying that is that God's people should start to be FREE from SLAVERY 70 YEARS after the start of the SLAVERY system, and that means 1990. Every night for the last three months the TV news programs show FREEDOM marchers from one country or another

- except us. I mean U.S. What about us (U.S.)? Is there a move to break down the U.S. Wall of economic slavery? How shall we be FREE?

NEW BILLS IN CONGRESS

While seeking God for an answer to that question a newspaper was delivered to my desk in March 1990. The headline said, "ANTI-FED FORCES GAINING STRENGTH." "An audit of the Fed would be authorized by passage of House Bill H.R. 844 and Senate Bill S. 734. In addition H.R. 3512 would institute major changes in the Federal Reserve System." Included was a list of 67 names of backers in both the House and Senate. That's 10% of the lawmakers already - and it just got started. The list was non-partisan because about half were Democrats and naturally half were Republicans - all agreeing that the U.S. needs an audit of the Federal Reserve System. (The newspaper was the SPOTLIGHT and LIBERTY LOBBY is pushing to win passage of the bills. Their address is 300 Independence Ave. S.E., Washington, DC 20003, if you want to subscribe or if you want to help them to win passage of the bills.)

AUDIT OF THE FEDERAL RESERVE

An audit of the Fed should produce a demand for FREEDOM by nearly every person in the U.S.

Every patriot in the U.S. needs to write to their Representative and Senators and say something like this:

"I want you to start an audit of the Federal Reserve System. Please stand up for H.R. 844, H.R. 3512 and S. 734. Thank you."

Sign your name, address and phone number. It doesn't have to be complicated. Naturally, you may politely add anything else that you want. I ask you to please write that letter. You know that I very seldom ask you to do anything. Today, I plead with you to write. Phone your newspaper and ask for the name and address of your U.S. Representative and U.S. Senator, please.

KNOCK YOUR HOLE IN OUR SLAVERY WALL

This is your chance to strike your hammer against the Wall of Economic SLAVERY here in the U.S. Knock out your chips from our SLAVERY Wall with your letter.

If the Holy Spirit made you say or think, "I'd like to join those Germans and knock a hole in that ugly Wall of SLAVERY." - then this is your chance. Do it. It's the right thing to do.

In fact, this may provide you with a chance to play a personal part in bringing about the

fulfillment of Biblical prophecy. That could make you very important in bringing about the Kingdom Of God.

RETURN TO CONSTITUTIONAL MONEY

The people of both East and West Germany have sent a very strong message to their governments - they want the Berlin Wall to come crashing down.

In a like manner U.S. patriots must now send a very strong message to our congress - we want the Federal Reserve System to be audited. An audit will result in a massive change in the system as voters see the abuse. Voters will demand and receive a new money system.

But, how shall our new money system operate? By a return to our constitution, Article 1, Section 8, "Congress shall coin money and REGULATE THE VALUE THEREOF." That will be wonderful when the control of our money system is taken away from the ultra rich and returned to our elected congress, like our constitution says it should.
