WAR 1990

The attack by Iraq on Kuwait, the buildup of US armed forces in Saudi Arabia, our large number of war ships in the Persian gulf, and the call up of our reserves have all acted together to sharpen our interest in the Bible prophecy about the Battle of Armageddon. I read the last chapter and we are going to win!

WHAT'S UP?

What we are seeing now in the mideast is NOT the Battle of Jehoshaphat, nor is it the Battle of Armageddon. While it is true that most of the player nations are on the stage, not all of the nations are aligned according to the scriptures, yet. Some nations are presently on the wrong side. It should take a little while longer for all the nations, friend and/or foe, to become aligned. Changes are taking place very quickly, now.

- a. Iraq will change to be on our side.
- b. Germany (and some other European nations) will change to be on the Arab Islamic side.
- c. Iran has already changed sides from us to Russia as prophesied by the Bible and as taught in our lessons. Twenty years ago, when I taught that the Bible says in Ezekiel that Iran will turn against us, some people thought it was a crazy idea. Now those same people are asking me what the Bible says about the next change.

NINTH OF AB

It is probably no coincidence that Iraq attacked Kuwait on the date of the Ninth of Ab. (July 31 - Aug. 2) Our Cassette Tape Bible Lesson entitled 9th OF AB demonstrates the vital importance of that date. (Order information later)

THREE MORE WARS

There are three (3) more great World Wars to be fought.

BATTLE OF JEHOSEPHAT, Joel 3:1-2, 2:28, Rev. 6:12, 14:17, Ezek. 38.

BATTLE OF ARMAGEDDON, Rev. 16:16, Ezek. 39.

BATTLE OF THE BELOVED CITY, Rev. 20:8.

The first two wars should take place fairly soon - within a natural life span. The Battle of the Beloved City occurs at the end of the millennium within the supernatural life span of those who will overcome the last enemy - death. That could be you.

The present situation in the mideast is NOT any of these wars, but the situation could change overnight.

If Jordan (or any of the others) decides to use the tensions of the present time to attack Jerusalem, then they will probably follow the plan outlined in the Bible. They probably will mass their troops at the bottom of the Dead Sea and then move up the west side of the Dead Sea to the cliff Ziz at Ein Gedi. They will first take Hebron and then attack Jerusalem from the south. These are buzz words to watch for in the world news. When you hear these words, then we will be in the Battle of Jehoshaphat. (II Chron. 20) How will we win? The Arab nations will turn against each other and kill each other, like they have always done. (Ezek. 38:21, II Chron. 20:22-23)

The location of the Battle of Armageddon will be north of Jerusalem between Haifa and Galilee. Watch for these buzz words too. But, you probably won't hear them on national news for several more years. How will we win the Battle of Armageddon? Supernatural fire will come against Russia. There will be a seven year clean up. (Ezek. 38:22, 39:2-7) Our MONARCH, CHERNOBLE IS IN THE BIBLE, Aug. 1986, has

much to say about a supernatural fire in Russia.

The Battle of the Beloved City will be at Jerusalem after the millennium. (Rev. 20:9)

THE LOSERS

In the Battle of Jehoshaphat (we believe soon to come) the Arab Islamic nations will be led by Russia.

- a. RUSSIA will eventually become our enemy, again.
- b. Germany and many other European nations will turn against us and will join with the Russians to fight us. The modern names of the nations who will be our enemies are probably Russia, Mongolia, Iran, Armenia, Libya, Tripoli, Ethiopia (Egypt?) and the European nations who purchase oil from Iran. (Ezek. 38:3-7)
- c. They will eventually lose.

No. There won't be a so called rapture before these wars. The erroneous rapture theory is a made up money maker. There are no scriptures to support the idea of a rapture before the tribulation. But the escape idea of the rapture does sell a lot of books and bring in a lot of money to teary eyed TV evangelists. The Bible gives many warnings to Christians who are on the earth during these troublesome times. No. The Christians aren't raptured to heaven to avoid the wars. They are on the earth working to possess the Kingdom here - not there.

THE WINNERS

The U.S.A. will align with Israel, Spain?, India? and others.

- a. We will eventually win the Battle of Jehoshaphat with supernatural help from the archangel, Michael. (Rev. 12:7)
- b. The modern names of the nations who will be our friends are probably Israel, USA, Spain, and parts of Lebanon, Syria, Iraq, Jordan, Japan?, China? and nations who trade with Israel using ships (the Tarshish nations). (Ezek. 38:3-7)

Our MONARCH, LIBYA, KHADAFY, ISLAM, RUSSIA, Feb. Mar. Apr. 1986 uses the Bible to identify the winners and losers in great detail. Are you wishing that you could reread it? You can.

ATOMIC WAR?

Atomic bombs will probably be used. (Acts 2:19, Joel 2:30-31)

- a. Israel already has many Atomic bombs (according to many published reports).

b. Iraq is reported to be very near to having an atomic bomb of their own.

c. Israel bombed Iraq's atomic electric power plant in a vain effort to deprive Iraq of plutonium for their bomb. Some reports say that Iraq purchased their plutonium from France.

We have studied Atomic Bombs in our MONARCH, NUCLEAR SUBMARINES AND THE BIBLE, Aug. 1988,

and Cassette Tape Bible Lesson:

3 MISSILES - 3 BEASTS Our Bible describes the U.S. Military missile system perfectly.

This Cassette Tape Bible Lesson may provide the means for you to connect the multitude of various Bible studies that we have taught with the recent war preparations in the mideast.

The Bible tells of a strange twist of fate by pointing to the fact that the same nations will try the very same tactics again in the Battle of Armageddon several years later. The book of Revelation describes the time separation between Jehoshaphat and Armageddon this way: six prophetic plagues later at the sixth trumpet, Rev. 9:13, which is the same as the sixth vial of wrath, Rev. 16:10. This is just before the millennium, a thousand years of bliss. (Rev. 11:15, Ezek. 39:2, Rev. 16:16)

Our booklet THE KEY TO REVELATION, covers those events that separate the time frame from Jehoshaphat to Armageddon in more detail. We have prayed that every Bible student will be able to become familiar with the doubles and parallels of the book of Revelation so that they can be ready for the next events.

THE RAPTURE?

Don't expect to be able to study these facts by using traditional fundamental, evangelical and/or Pentecostal books on prophecy that are usually found in regular Christian bookstores. Most of those authors are caught up in the nonbiblical idea of avoiding the coming tribulation by a rapture. So, they are really messed up in the study of Biblical prophecy. The blessed hope of the Christian is the return of Christ - not the rapture. We praise our GOD that many Bible students have seen through the ruptured rapture theory - in spite of the erroneous teachings of a few well meaning denominations. Our students recognize that JESUS said we would have tribulation - not wrath in our lives.

THE MILLENNIUM

Our victory in the Battle of Armageddon will be followed by the millennium (a thousand years of peace). CHRIST will be boss for a thousand years.
